

A Special Evening Wine Tasting with Jean Arnold of Kate Arnold Wines

**Tuesday, June 26, 2018
8:00 pm**

Kate Arnold currently offers Sauvignon Blanc from California and Pinot Noir from the Willamette Valley of Oregon. We are also to taste a soon-to-be Cabernet Sauvignon from Washington.

Family & Farmers, producer of Kate Arnold Wines, is owned by Matt Stornetta, a fifth-generation farmer from Sonoma, CA and Jean Arnold, a three-decade wine industry veteran. Matt and Jean create relationships with grape growers who want to diversify their client base to include smaller, family-owned companies like Family & Farmers.

Kate Arnold, Jean's wife, along with Matt's wife, Courtney, have very busy day jobs to support the adventures of Jean and Matt as they traverse the globe sourcing grapes and selling wine.
